On October 17, 2014, the undersigned officer conducted a home visit at the offender's address of 1010 West Boone, Apt #15, Spokane, Washington. Collateral contact with the manager of Mr. Conner's apartment building confirmed that he was evicted from his unit effective August 8, 2014, for refusing to pay his rent. officer attempted to establish contact with the offender by telephone. A voice mail was left instructing him to appear in the U.S. Probation Office. The offender returned the call and left a message indicating he was aware he failed to comply as required. To date, the undersigned officer has not spoken directly to the offender. Again, his whereabouts remain unknown.

- 3 **Standard Condition #3:** The defendant shall answer truthfully all inquires by the probation officer and follow the instruction of the probation officer.

Supporting Evidence: Carl Conner violated the conditions of his supervised release in Spokane, Washington, by submitting false information on his monthly supervision report dated September 5, 2014. Specifically, the offender indicated his residence was located at 1010 West Boone, Apt. #15, Spokane, Washington. At this time, the offender's whereabouts are unknown. He is considered an absconder from supervision.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the offender to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
